

COUNTY COURT, BOULDER COUNTY, COLORADO		Case No: <u>15T2454</u> Division: <u>9</u> DATE FILED: <u>June 06, 2016</u>
PEOPLE OF THE STATE OF COLORADO, Plaintiff, vs.		
<u>Nimer, David</u> Defendant.		
ADVISEMENT PER C.R. CRIM. P. RULE 11 AND PLEA OF GUILTY – DUI		

- §1. The undersigned acknowledges that he or she is the defendant in this case and that his or her true name is as stated above.
- §2. The following is a statement of the rights that the defendant has in this case:
- a. You have the right to enter a plea of not guilty and have a trial in this case either to the Court or to a jury.
 - b. You have the right to be represented by an attorney throughout the trial and at all proceedings leading up to trial.
 - c. If you do not have the means to hire an attorney, you can ask the Court to appoint one for you without cost to you, and one will be appointed.
 - d. You are presumed innocent of the charges pending against you, and that presumption of innocence will remain with you throughout the trial unless and until the prosecution presents evidence to prove you guilty beyond a reasonable doubt.
 - e. At the trial you have the right to confront the witnesses called to testify against you and to cross-examine those witnesses.
 - f. You have the right to present evidence in your own defense at the trial and to compel the attendance of witnesses by subpoenas issued by this Court.
 - g. You have the right to remain silent at the trial or testify in your defense as you choose. If you choose to remain silent, your silence cannot be used against you.
 - h. After the trial is over, you have the right to appeal to a higher court to review the judgments of the Court.
- §3. a. I acknowledge that I have read and understand the elements of the offense and the penalty for that offense stated in Section A AND SECTION C on the reverse side of this form. I understand that the State would have to prove each element of the offense beyond a reasonable doubt before I could be convicted of that offense in a trial. I am entering a plea of guilty to that offense.
- b. I am entering my plea of guilty voluntarily and not as a result of coercion or undue influence of the part of anyone. There have been no threats, force or promises made to me to cause me to enter this plea.
- c. I understand that the Court will not be bound by any representations made to me by anyone concerning the penalty to be imposed or the granting or denial of probation, unless such representations are included in a formal plea agreement approved by the Court.
- d. I acknowledge that there is a factual basis for this plea or if this plea is a result of a plea bargain, I waive the establishment of a factual basis for the charge.
- e. At this time I am not under the influence of any drugs, intoxicants, or medication that would interfere with my ability to understand the advisement given in this form.
- f. I understand that a plea of guilty to certain offenses such as Driving Under the Influence and Driving While Ability Impaired, and some other offenses, will subject me to a greater penalty if I should ever again be convicted of or plead guilty to the same offense, and that if I have in the past been convicted for such an offense, the penalty may be greater than specified on the reverse.
- g. I understand that the criminal case I am pleading guilty to is separate from the administrative procedures of the Department of Revenue, Motor Vehicle Division ("DMV"). I also understand that there may be further actions by the DMV that may result from this plea including the revocation of my license in certain circumstances and/or the imposition of an interlock-restricted license.
- h. I understand that if I am not a citizen of the United States and I plead guilty or nolo contendere ("no contest") to a crime, this plea may cause collateral consequences including but not limited to deportation or removal, exclusion from admission to the United States, or denial of naturalization. I understand that a deferred sentence may be considered a conviction for immigration purposes. I understand that I may confer with an attorney regarding immigration issues and collateral consequences prior to entering into this plea. I understand that this court has no authority regarding immigration issues. No promises or representations have been made to me by the Court regarding immigration consequences other than the plain statements made in this paragraph.
- §4. I acknowledge that I have read and understand the advisement of rights in Section 2, and I understand that by entering my plea of guilty to the charge I am waiving and giving up all the rights set forth in that Section. I also acknowledge that I have read and understand the statements in Sections 1, 2, 3, and that those statements are true and correct.
