Subject: Academic Probation

Dear David,

I write at this time to inform you that as of the end of the spring 2019 semester, you have met the terms of your academic probation. Your overall grade point average is at the minimal acceptable level of B-: 2.778. I know you worked hard to improve your performance, David, and I hope you will continue to improve even more throughout your second year.

Please let me know if you have any questions. As always, I'm available should you ever wish to talk or if you have any questions.

Best wishes for a wonderful, restful and productive summer,
Cindy
