DAVID NIMER
1310 E HERMOSA DR
TEMPE, AZ 85282

Please let this documentation serve as confirmation that David Nimer (DOB: 05/31/1991) has undergone a comprehensive evaluation for substance use disorder at the Comprehensive Pain and Addiction Center, Banner University. The patient has been assessed by multiple providers and shows no evidence of a substance use disorder per the DSMV criteria. Laboratory testing, including both blood and urine drug screening, revealed no evidence of illicit substance use. The patient has been advised to continue psychotherapy and use coping strategies to support healthy functioning and minimize any future risk of substance use. He has remained fully compliant with all recommendations and follow-up evaluations.
