EXPLANATORY NOTES CONCERNING TRANSCRIPTS

This student record/transcript is released with the understanding that the recipient will not permit any other party to have access to it without the written consent of the student/graduate concerned. See paragraph 99.39 of the Family Educational Rights and Privacy Act of 1974.

- The classes through 1965 needed a minimum of 124 semester hours of work, satisfactorily completed with a cumulative average of 1.75 in order to graduate.
- Starting with the freshman class of 1964-1965 Dickinson College converted its curriculum from the semester hour to the 5-5-4-4 system. Under the 5-5-4-4 system freshmen and sophomores normally took five courses per semester and juniors and seniors took four courses per semester. The 5-5-4-4 system required a student to take 36 courses, passing at least 34 courses and attaining a cumulative average of at least 2.00 in order to graduate. (For purposes of evaluation of the record, or for computation of the cumulative average, each course taken by students after September 1, 1965, can be considered equivalent to four semester hours.)

- Beginning July 1971, every course at Dickinson College is the equivalent of four semester hours. Beginning July 1972, the graduation requirement is 34 courses passed.

- (A) Before fall 1976, the grading system was as follows:

A	(4.00)
B	(3.00)
C	(2.00)
D	(1.00)
F	(0.00)

- (B) Other grades, not used in computation of the student's average, were as follows:

*PA	(Pass under Pass/Fail option)	I	(Incomplete)
FA	(Fail under Pass/Fail option)	AU	(Audit)
WP	(Withdrawn Passing)	S	(Satisfactory)
WF	(Withdrawn Failing)	U	(Unsatisfactory)
WD	(Withdrawn)	**CR	(Credit)
SP	(Satisfactory Progress for independent study)	**NO CR	(No Credit)
X	(Grade not reported)	T	(Transfer Credit)

- Beginning in fall 1976, the A-F grading system was changed to a plus/minus system. The following scale of quality credit points now applies.

A	(4.00)	C	(2.00)
A-	(3.67)	C-	(1.67)
B+	(3.33)	D+	(1.33)
B	(3.00)	D	(1.00)
B-	(2.67)	D-	(0.67)
C+	(2.33)	F	(0.00)

In addition, withdrawal grades (WP, WF and WD) were simplified to a single withdrawal grade (W). All other grades referred to in 4 (B) remain unchanged.

*Pass, when given, is normally the equivalent of a C (2.00 or above).

**Credit/No Credit sections must be approved by the Academic Standards Committee. All students in these sections must receive one of these two grades, which is not the student's option.

Physical Education Requirement – All Dickinson College students must satisfactorily complete three semesters (six units) of physical education. Beginning with the freshman class of 1965, five units are to include physical-activity units and the sixth unit is to be a department-offered theory course.

- For students matriculating prior to fall 1999, 34 courses (credit hours per course = 4.00) were required to be passed with a minimum cumulative grade-point average (GPA) of 2.00 on a 4.00 scale for graduation. In addition, every graduate must complete a major and the college's distribution and graduation requirements. These requirements demand that a graduate complete three courses in each of three separate areas (humanities, social sciences and natural and mathematical sciences). In addition, proficiency at the intermediate level of a foreign language and one course in a comparative culture is required. Students who entered in fall 1998 must also complete one course emphasizing U.S. diversity. A second major, minor concentrations and certificates are optional.
- For students matriculating fall 1999 or afterward, 32 courses (credit hours per course = 4.00) are required to be passed with a minimum cumulative GPA of 2.00 on a 4.00 scale for graduation. In addition, every graduate must complete a major and the college's distribution and graduation requirements. These requirements demand that a graduate complete two courses in each of three separate areas (humanities, social sciences and natural and mathematical sciences). Also required are proficiency at the intermediate level of a foreign language, one course in a comparative culture, one course emphasizing U.S. diversity, a writing-intensive course and a quantitative-reasoning course. A second major, minor concentrations and certificates are optional.

- The grading system is as follows:
- | | | | |
|----|--------|----|--------|
| A | (4.00) | C | (2.00) |
| A- | (3.67) | C- | (1.67) |
| B+ | (3.33) | D+ | (1.33) |
| B | (3.00) | D | (1.00) |
| B- | (2.67) | D- | (0.67) |
| C+ | (2.33) | F | (0.00) |

- Other grades not used in the computation of a student's average are:

PA	(Pass under Pass/Fail option) – normally recorded when the equivalent of 2.00 or better is earned.
FA	(Fail under Pass/Fail option)
W	(Withdrawn)
S	(Satisfactory) – temporary grade
I	(Incomplete)
I	(Letter grade) originally an incomplete, then completed with a letter grade
AU	(Audit)
X	(Disciplinary case pending)
T	(Letter grade) = transfer credit – all grades preceded with a "T" are transfer grades
CR	(Credit under Credit/No Credit option)
	Credit/No Credit sections are approved by the Academic Standards Committee. All students are enrolled on this basis and the grading system is not the student's option.
NC	(No Credit under the Credit/No Credit option)
	Credit/No Credit sections are approved by the Academic Standards Committee. All students are enrolled on this basis and the grading system is not the student's option.
NG	(No Grade) – Temporary holding grade due to technical difficulties
NGR	(No Grade) – Note: The student completed the course, but no grade was assigned. This is a non-punitive grade.
PRT	(Participant in co-curriculum)
